10 years mental health experience

My hobbies include reading, playing softball and basketball, and playing musical instruments.

I met my wife at LWC 6 years ago. We have 3 daughters and 3 sons, including a set identical twins.

My interests are family and church. My favorite author is A.W. Tozer.

A rich life is made up of two things: great love and meaningful work. There are 3 things you'll never hear me say:

"I fell out of love with my wife",

"I've lost my faith", and

"pizza does not sound good for dinner tonight".
